Dylan Mitchley

I recently took a coding BootCamp at Hyperion Development where we learnt Full Stack Development (Mongo DB, Express JS, React, Node JS). I love the mix of logical and creative qualities a Web developer should have.

WORK HISTORY

UI Designer - Web Developer
Lightly Salted Media | Aug 2021 - Present

This brand is used for my freelance work. I have designed many web and mobile applications plus various front-end web developments.

Director of Photography
Various Companies | Jun 2016 - Jul 2021

I have a background in video production and did on many occasions work as a camera operator and director of photography. I stopped this work because of the covid-19 pandemic.

Marketing Specialist
Essential Skills Online | Jan 2015 - December 2021

My responsibility was to managed paid ads (Google Adwords), edit videos and design marketing materials.

Web Design Intern
Red Dot Designs | 2014

My responsibility was to take Photoshop website designs and turn them into html, CSS static websites.

EDUCATIONAL BACKGROUND

Graphic Design Diploma
